

Hattiesburg Club Meeting 08-10-2016

Vice Pres. Jutta White called the meeting to order. Attending were Janet, Jutta, Trish, Jane, Jim and Tommie. Absent were Ken and Connie.

The topics discussed were the Wed. food signup sheet and the need for more people to be involved in cleaning up after.

It was decided to make an announcement that while everyone could bring what they wanted sandwiches a dip and something sweet would certainly be enough. If we do not have anyone signed up, we will announce the previous week that there will not be food for the upcoming week. We are hoping everyone will participate. It was also decided to remind everyone to help clean up after the game, as we all use the facilities.
